## **BWC PROUDLY SHARES ACHIEVEMENT OF PME MARQUEZ**

The Professional Regulation Commission released on 31 August 2018 the results of the August 2018 Technical Evaluation for the upgrading as Professional Mechanical Engineer.

The panel who conducted the Technical Evaluation are members of the Board of Mechanical Engineering. Under the panel chairmanship of Engr. Jesus M. Redelosa, members are Engr. Fernando S. Guevara and Engr. Mirardo C. Malazarte, Jr.

Among all applicants who undergo the technical evaluation, only eight-five of them successfully passed the requirements and standards to become a Professional Mechanical Engineer.

The Bureau of Working Conditions (BWC) is proud to share that among the passers of the August 2018 Technical Evaluation for the upgrading as Professional Mechanical Engineer is Engr. Gilbert Q. Marquez.

Engr. Marquez has been with the BWC for four (4) years under the guidance of Dr. Ma. Imelda S. Santos, Division Chief of the Program Management and Technical Support Services Division. In order to aid and speed up the inspection activities in the area of CAMANAVA, he was also previously detailed at the DOLE CAMANAVA Field Office as labor inspector.
