BWC supports 2021 National Women's Month

The Bureau of Working Conditions (BWC) joins the celebration of the 2021 National Women's Month through #PurpleMondays for the whole month of March.

Under the theme of "Juana sa Panahon ng Pandemya: KAYA!", the event seeks to serve as "a tribute, a platform, and a call to action that highlights the extraordinary roles of ordinary Juanas in the society as trailblazers and harbingers of change."

This year's celebration also seeks to serve as a venue to address issues and concerns women continue to face such as those in workplaces.

In view of the restrictions brought by the COVID-19 pandemic, the face-to-face learning sessions usually organized by the BWC every women's month will be suspended.

To stay in the loop and be part of the celebration, the public are encouraged to join the online activities organized by the Philippine Commission on Women (PCW).

For news and updates on the activities for the upcoming women's month, please follow the official Facebook page of the PCW at fb.com/PCWgovph and of the BWC at fb.com/BWC1949.
